Welcome to Sonic's comic book adventures – a world beyond what you know from the SEGA games! Where Sonic's heroic friends, Amy and Cream, have ventured to Blaze the Cat's dimension to help search for the Sol Emeralds!

SONIC UNIVERSE™

PREVIOUSLY...

THE CHAOS BEFORE THE STORM!

After a furious chase and battle on the high seas, the evil pirate Captain Metal once again has the last Sol Emerald, one of seven mystic gems that hold Blaze's world together.

As Blaze and her friends make their final stand against the cutthroat crews of not one, but TWO ships packed with pirates, it's a race against time to prevent Captain Metal from using the Sol Emerald to power his flying death machine, the Egg O' War!

Can Blaze light a fire under the crabby Captain's feet and reignite her role as the guardian of the Sol Emeralds, or will she burn out before the power of CAPTAIN METAL?!

Dear 'My Sonic Universe,'

I got the Sonic Universe "Pirate Plunder Panic" part 2 issue, (My friend has the first one) and I saw how Bean was addicted to "shinies". What the heck is up with that?! I know how Bean is a psycho (and Bark can't talk) but I think it's good to have that kind of detail about Bean.

Bean has always been a bit of an oddball, but really, who doesn't like shiny things?!

I have a few questions about upcoming coolness.

Alright, but be sure to wear a sweater because nothing is cooler than Sonic Comics!

1. Will Blaze, Amy, Cream and Cheese stop Captain Metal or become a Kraken snack?

2. CAN YOU PLEASE TELL ME THE ENDING OF PIRATE PLUNDER PANIC???!?

Dear 'My Sonic Universe,'

Tracy Yardley does a really good job with characterization in the current arc, "Pirate Plunder Panic." I can tell he has a love for the characters, and wants to do them justice. Tell him to keep it up!

A.T. from Louisiana

Will do, A.T.! Thanks for writing in!

Dear 'My Sonic Universe,'

Greetings, Archie people. I just wanted to write in and say that I've been enjoying the series so far, and I'd like to ask some questions.

Sweet! You, sir, shall have the usual!

1. I've heard about this little thing called "Shadow Fall" online. What's that about?

Shadow Fall is the next story arc after this issue featuring everyone's favorite anti-hero, Shadow the Hedgehog!

Shadow and Team Dark have a mission to infiltrate a mysterious comet that may or may not be boarded by aliens...keep reading for the full scoop!

2. Will we ever see Snively again?

You haven't seen the last of Snively, but right now his whereabouts are unknown!

3. The new designs for some of the main characters look amazing, so congrats to the person who designed them. Well, that's it for now. Stay awesome.

Thanks, Aaron! The new designs were a group effort including the entire Archie Sonic comic crew!

See ya'll next month for the start of the all-new story arc, SHADOW FALL, featuring the master of chaos control, Shadow the Hedgehog!
